Dear Pavithra Pavithra,

Congratulations on earning your Oracle Certification credential!

Share your accomplishment with your professional network and on LinkedIn, Facebook and Twitter.

Start using your new digital badge with these steps:

1. Sign in to [CertView](#).
2. Click on Credential Management.
3. Click on Share Credentials.
4. Scroll down to find your Certification.
5. **To share badge** - Under Actions, Click on any or all of the social media icons, login into respective account(s) and share.
6. **To download badge** - Under Actions, Click on 'JPG' to Download Badge in JPG format.
7. **To download your eCertificate** - Under Actions, Click on 'Print' to open the eCertificate PDF.

For additional benefits, log into Oracle [Cer tView](#) where you can:

- View your detailed exam results and more information on your certification history.
- Provide official email verification of your certification to a third party.

Best wishes for your continued success.
